

As a tenant of Sawyer Yards you are welcome to host events within your studio at any time, as long as it does not conflict with pre-scheduled building or campus events. Our buildings are shared, communal spaces, and we ask that you adhere to these detailed guidelines, and respect your fellow studio mates when organizing and scheduling an event. Keep in mind that events should benefit Sawyer Yards by offering public/community engagement, increasing traffic for our artists, and generally bringing awareness to the host building and Sawyer Yards.

To ensure that your event meets all guidelines and does not conflict with other events, you must have your event approved by the Sawyer Yards Events Director. Approvals are at the discretion of the Events Director based on the internal calendar. **Any tenants who host events without receiving approval, prior to the event, are subject to a penalty in the form of a \$150 fine.**

**Examples of Tenant Events: new studio receptions, classes, workshops, lessons, collector events, etc.**

## **TENANT STUDIO EVENT**

A tenant studio event is qualified as an event that takes place inside of the organizer's studio. These events can be private or public and all activities **may only** utilize the tenant(s) studio. ### **GUIDELINES:**

- For all events over ten (10) attendees, use this [Event Request Form](#) to have your event reviewed and approved by the Sawyer Yards Event Director. Submit the form no later than **one week prior to your event** as it may take 2-3 days to hear back on an approval.
